

Kenny Grace

Office Managing Partner, Hein & Associates LLP

Director, Association for Corporate Growth

Kenny joined Hein in 1997 and has led the audit practice in the Houston office for nearly 10 of those years. He currently is the Houston office managing partner and also heads the Employee Benefit Plan practice for the firm. Kenny has significant experience assisting private equity groups in the acquisition of portfolio companies; through due diligence assistance, purchase price allocations and their annual audits. He also has expertise supporting his public clients through all phases of major transactions, including initial public offerings (IPOs), secondary offerings, mergers and acquisitions, and financial due diligence reviews. He specializes in manufacturing, distribution, and service industries.

Before he joined Hein, Kenny was a senior audit manager with KPMG. He is a member of the American Institute of Public Accountants (AICPA), and he serves on the boards of the University of Houston Accounting Advisory Board and the Association for Corporate Growth (ACG). He earned his bachelor's degree in accounting from the University of Houston.
