

Sharon O'Malley Burg

Chief Executive Officer, O'Malley Burg Consulting
Board of Advisors, Infrastructure Resources, Inc.

Ms. O'Malley Burg is CEO of O'Malley Burg Consulting, a technology and government strategy consulting firm located in San Antonio Texas. She previously led sales and marketing for EDS' Government Services Group; AMS' Civilian Federal Group and as a Vice President of Perot Systems Sales Leadership. In addition, she supported Perot Ventures in technology based investments.

Sharon serves on the Board of Advisors for Infrastructure Resources, Inc. She was honored by the San Antonio Business Journal in 2015 as a Woman Business Leader of the Year for her community involvement and impact, focusing on businesses that raise San Antonio's profile. In 2013 she was named the Small Business Person of the Year by the Armed Forces Communications and Electronics Association Alamo Chapter. She is an Honorary Commander of 24th Air Force, the Air Force Cyber Command. In 2015 she chaired the SA to DC cybersecurity issue team, representing the San Antonio Greater Chamber to meet with Congressional leaders from Texas promoting San Antonio as a cyber security national asset. She is active in the Tri-Cities National Association of Corporate Directors (NACD). She is a member of the Masters Leadership Program Alumni Association, the Air Force Association; "Women of FIRST" Robotics; and the Armed Forces Communications and Electronics Association. She previously served on the Board of Directors of Impact San Antonio and on the Board of Trustees for Palmer Drug Abuse Program, chairing the Marketing Committee which led to the renaming of the organization to Rise Recovery and on the Advisory Board of Inno Tech, chairing the Women in Technology track.
