

Roger Burks

Executive Managing Director and Chief Executive Officer, WG Consulting Director, STR Marketplace, Business Ethics Forum, WG Consulting and Young Catholic Professionals of Houston

Roger Burks serves as an Executive Managing Director and CEO at WG Consulting. Roger and his team serve as interim CFO's for a number of companies and provide all financial, operational, and transactional services to clients as well. He is a CPA with over 34 years of business experience, including over 20 years with Deloitte & Touche and 14 years of experience as a senior executive in the energy industry, including taking a company through a public debt raise and IPO as the CFO. Roger's experience further stems from serving on Boards, funding new ventures, and starting two management consulting firms. Prior to WG, Roger was the Partner in charge of the Energy Practice & Global Strategic Clients for Deloitte & Touche in Houston, TX. He served as Lead Partner for many of the energy clients at Deloitte and led various transaction projects including external audits, acquisitions, divestitures, public and private stock and debt offerings, as well as merger integration.
