

Joe O'Donnell – Board Member, NACD Florida Chapter

Joseph O'Donnell has served nearly 20 years as the Chief Executive Officer of several public companies including: Artesyn Technologies, Inmar and Savin. Recently transitioning from executive to nonexecutive corporate roles, he remains active in senior corporate leadership, at the board level.

Mr. O'Donnell currently serves on three corporate boards: BPV Funds, DTx and ModusLink. In addition, he is on the Board of Directors of NACD's Florida Chapter, as well as a member of the University of Tennessee School of Business Advisory Board.

Over 15 years, he has served on a number of additional public boards including: Artesyn Technologies, Boca Research, Comverse Technology, Converge, Cincinnati Microwave, Parametric Technology and Superior Essex.

From a governance perspective, in addition to serving as a commissioner on the National Association of Corporate Directors' (NACD) Blue Ribbon Commission on Corporate Leadership, he has been recognized by NACD as a 'GOVERNANCE FELLOW'. Identification as a NACD Fellow is in recognition of a commitment to board room excellence.

Mr. O'Donnell holds a Bachelor of Science Degree and MBA from the University of Tennessee.
